- Allow a minimum of four business days for locates to be completed prior to scheduling installation.
- You (or the owner of the property) will be required to sign a Right Of Way Easement before installation can proceed. Fiber is buried to the structure, so digging will be involved.
- Customer is responsible for all taxes.
- 5 or less computers constitutes business qualification
- **Initial install includes: fiber installation, Ethernet drop to one computer, single phone line connection.**
- **NOTE:** In order to initiate service you must have **call forwarding** on all current numbers and provide a copy of the first page of your current phone bill showing account number, phone number, name and address. **DO NOT** disconnect your current phone service until directed to do so by the KCI Porting Department.
