- Allow a minimum of four business days for locates to be completed prior to scheduling installation. Fiber is buried to the structure, so digging is necessary.
- You (or the owner of the property) will be required to sign a Right Of Way Easement before installation can proceed.
- Customer is responsible for all taxes.
- 5 or less computers constitutes business qualification
- **Initial install includes: fiber installation (buried), Ethernet drop to one computer, and one single phone line connection.**
- Any installation in excess of 500 fiber feet may be subject to additional line charges at the cost of the materials, which may fluctuate. If this appears to be the case for your location, you will be notified and required to agree before any work is started. Budgetary, these additional charges have been between \$0.50 and \$1.00 per foot in the past, but materials costs fluctuate.
- **NOTE:** In order to initiate service you must have **call forwarding** on all current numbers and provide a copy of the first page of your current phone bill showing account number, phone number, name and address. **DO NOT** disconnect your current phone service until directed to do so by the KCI Porting Department.
