Date

- Allow a minimum of four business days for locates to be completed prior to scheduling installation.
- Customer is responsible for all taxes.
Initial install includes: fiber installation (fiber will be buried to dwelling), Ethernet drop to one computer, single phone line connection. . Any installation in excess of 500 fiber feet may be subject to additional line charges at the cost of the materials, which may fluctuate. If this appears to be the case for your location, you will be notified and required to agree before any work is started. Budgetary, these additional charges have been between \$0.50 and \$1.00 per foot in the past, but materials costs fluctuate.
- **NOTE:** In order to initiate phone service you must have call forwarding on all current numbers and provide a copy of the first page of your current phone bill showing account number, phone number, name and address. **DO NOT disconnect your current phone service until directed to do so by the KCI Porting Department.**
